Subject: Thank you!

Dear Commissioners and Staff:

I apologize for the delay in sending my appreciation for the Net Metering Ruling, but please know we are incredibly thankful. This ruling will go a long way in bringing the solar industry to Utah. Special thanks go to Carol for the countless phone calls over the past year and for keeping us in the loop. As has been noted, some commercial installation issues continue, but we look forward to working through these kinks as well. Please feel free to contact me or the Mayor in the future with questions.

Warm regards,

Ann Ober
