Attorneys for Utah Association of Energy
Users

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

**In the Matter of the Application of Rocky
Mountain Power for Approval of Its
Proposed Energy Cost Adjustment
Mechanism**

Docket No. 09-035-15

**MOTION FOR ONE-DAY DELAY IN
PHASE I HEARINGS**

The Utah Association of Energy Users (“UAE”) hereby moves for a one day delay in the scheduled hearings in Phase I of this docket. The Phase I hearings are currently scheduled to begin on January 11, 2010, and continue for four days, through January 14, 2010. UAE and other parties do not believe that four hearing days will be required for Phase I issues. Due to a scheduling conflict, UAE inquired whether any of the parties to this proceeding would object to postponing and shortening the hearing schedule by one day. Most parties have responded that they either support or do not oppose UAE’s request, including Rocky Mountain Power, the Division of Public Utilities, the Office of Consumer Services, the Utah Industrial Energy Consumers, Nucor Steel, Wal-Mart and Salt Lake Cap. No party has expressed any opposition to the request. Accordingly, UAE respectfully requests that the Phase I hearings in this docket be postponed and shortened by one day, with hearings scheduled for January 12 - 14, 2010.

Public witnesses are scheduled for January 12, 2010, meaning that no change will be necessary to the public witness schedule.

Respectfully Submitted this 14th day of December, 2010.
