UIEC Data Request 18.2

Please state the number of gas swap transactions for settlement by RMP/PacifiCorp in 2010. Is that number typical of the number RMP enters into for settlement in a particular year? If not, what is typical?

Response to UIEC Data Request 18.2

Through 9/23/2010, the Company had approximately 436 gas physical purchases and 78 sales, and approximately 170 gas financial purchases and no sales. These numbers are typical of PacifiCorp's recent past.
