

You have the power to control your energy bill.

“SUMMER TIERED RATES HELP YOU MANAGE YOUR ENERGY USE.”

From May 1 – September 30, the first 400-kilowatt hours (kwh) used per month will be billed at 7.5 cents per kwh. The next 600 kwh will be about 8.5 cents per kwh, and any additional kwh over 1,000 will be about 10 cents per kwh. So the less you use, the less you'll pay. Plus, you can save energy with our tips, programs and incentives. One more way we put you in control. To learn more, visit rockymountainpower.net/utsaver.

Let's turn the answers on.
