In the Matter of the Approval of Rocky Mountain Power's Advice No. 09-08
Schedule 193 – Demand Side Management (DSM) Cost Adjustment

DOCKET NO. 09-035-T08

ORDER

ISSUED: April 20, 2016

On April 15, 2016, PacifiCorp, dba Rocky Mountain Power (“PacifiCorp”) filed a Request for New Report Due Date (“Request”) relating to the semi-annual report concerning certain historical and projected demand side management matters (“Semi-Annual Report”), which PacifiCorp must file pursuant to the stipulation the Commission approved in its order issued August 25, 2009 in this docket (“2009 Order”).

The 2009 Order established deadlines of November 1 and May 1 for the Semi-Annual Report. The Commission understands the Request to ask the Commission to substitute a July 1 deadline for the iteration of the Semi-Annual Report otherwise due May 1 and to leave the November 1 deadline unchanged. PacifiCorp represents the change will allow it to provide actual data for the first five months of a program year, which will provide the Commission and the DSM Steering Committee a more accurate look at projected expenditures while sufficient time remains in the year to collaborate with respect to potential changes. PacifiCorp represents it has discussed the proposed new due date with the Office of Consumer Services and the Division of Public Utilities and that neither opposes the Request and agrees it will bring added value to the Semi-Annual Report.

Given insufficient time exists prior to the existing due date to schedule time for comments and given the representation that the Office of Consumer Services and Division of

Public Utilities support the Request, the Commission provisionally grants the Request. If any party opposes the Request, the party should file notice of its opposition with the Commission on or before April 27, 2016. If the Commission receives no such notice of opposition, the iteration of the Semi-Annual Report presently due May 1 is deemed due on July 1 until and unless the Commission orders otherwise. The due date for the November 1 iteration of the Semi-Annual Report remains unchanged.

DATED at Salt Lake City, Utah, April 20, 2016.
