Subject: No Substation in Tooele

UTAH PUBLIC
SERVICE COMMISSION

2010 MAY 10 P 5:10

275300

There is no real good reason to put it where it currently is planned. Please consider the residents feelings and that we voted no twice to the current plan. If however you are willing to let all Tooele, Grantsville, Erda, Lakepoint, Stockton, Stansbury, Rush Valley residents to have free electricity for life, we may reconsider.

Sincerely,

James Hendricks
Grantsville, UT resident
