

The Company also seeks leave to terminate the Respondent's service if she fails to abide by the terms of the payment agreement.

Therefore, based upon the foregoing information, and for good cause appearing, the Commission orders as follows:

1. The Respondent shall pay to the Company a down payment of \$100.00 with the minimum of \$25.00 a month plus current bill for a period of twenty four months until the arrearage is satisfied;

2. The Company shall waive interest owing on the arrearage so long as the Respondent abides by the terms of this Report and Order.

3. If the Respondent fails to comply with the terms of the payment plan and this Report and Order, the Company shall have the right to disconnect services to Respondent's residence in accordance with the Company's regulations and tariff provisions and the applicable rules and regulations of the Commission. The Company shall not be required to seek further approval from the Commission for termination of service, notwithstanding the fact that a resident at Respondent's residence may be using life-support equipment. In the event of termination, at least 48 hours prior to terminating said service, the Company shall notify the appropriate Utah state social service agencies of this Order and pending termination. The Company shall be free to pursue any other means of collection available to it under the law to collect any arrearages.
