In the Matter of the Application of Questar)
Gas Company to Amortize the Conservation) DOCKET NO. 07-057-03
Enabling Tariff)
) ERRATUM INTERIM ORDER
) APPROVING RATE CHANGES
)

ISSUED: July 3, 2007

By the Commission:

It has come to the attention of the Commission that there is an error in the recent Interim Order Approving Rate Changes sent by the Commission on June 29, 2007. On page three of the Order, on the eleventh line of that page, it reads, “because the issue has not been fully settled, potential interested parties did not receive notice the issue would be raised in this docket, and we believe we lack an adequate record to use an alternative.” It should read, “because the issue has not been fully **vetted**, potential interested parties did not receive notice the issue would be raised in this docket, and we believe we lack an adequate record to use an alternative.”

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

This Erratum Interim Order Approving Rate Changes shall be retroactive to the date of issuance of the said Order, June 29, 2007.

DATED at Salt Lake City, Utah, this 3rd day of July, 2007.
