ISSUED: October 23, 2007

By the Commission:

It has come to the attention of the Commission that there is an error in the recent Notice of Hearing to Approve Rates on an Interim Basis sent by the Commission on October 22, 2007. On page three of the Order, on the sixteenth line of that page, it reads, "in this application is a 0.28% increase, or an increase f \$.01 per year for a typical GS-1 residential customer using 80 decatherms per year." It should read, "in this application is a 0.28% increase, or an increase of **\$2.01** per year for a typical GS-1 residential customer using 80 decatherms per year."

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

This Erratum Notice of Hearing to Approve Rates on an Interim Basis shall be retroactive to the date of issuance of the said Order, October 22, 2007.
