*Re: The Matter of the Request of the Division of Public Utilities for
Enforcement Action under the Natural Gas Pipeline Safety Act Against
Questar Gas Company, Docket No. 11-057-05*

Dear Ms. Orchard:

I am writing to inform the Public Service Commission of Utah (the Commission) that, pursuant to Paragraph 1.b. of the Order Approving Stipulation (Conditional) dated June 23, 2011 in Docket No. 11-057-05, the parties to that docket desire more time to negotiate or craft amending language to the Stipulation, consistent with the Order. The parties will continue to negotiate in good faith to reach agreement on amended language and will notify the Commission when those negotiations conclude.

Sincerely,

Jennifer R. Nelson
