ISSUED: January 26, 2006

SYNOPSIS

Petitioner having sought voluntary certificate cancellation, and no detriment to the public interest appearing, the Commission cancelled the certificate.

By The Commission:

PROCEDURAL HISTORY, DISCUSSION, AND FINDINGS

On December 22, 2005, U.S. TelePacific Corp. dba TelePacific Communications (“Petitioner”) requested the Commission approve its petition to withdraw its Certificate of Public Convenience and Necessity (“Certificate”). On January 19, 2006, the Division of Public Utilities (“Division”) filed a memorandum recommending cancellation of the Certificate.

The Division notes the Commission granted Petitioner its Certificate on December 29, 2000, in Docket No. 00-2345-01 but that Petitioner has never served any customers in Utah and therefore appears to have no obligation under Commission Rule 746-350, Application to Discontinue Telecommunications Service.

As Petitioner does not currently provide telecommunications service to any customers within the State of Utah, no detriment to the public interest appears and the Commission hereby issues the following

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

- The Certificate of Public Convenience and Necessity, issued December 29, 2000, to U.S. TelePacific Corp. dba TelePacific Communications be, and it is, cancelled and annulled effective the date of this Order.
- Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure so to do will forfeit the right to appeal to the Utah Supreme Court.

DATED at Salt Lake City, Utah, this 26th day of January, 2006.
