**DOCKET NO. 17-035-61
UTAH CLEAN ENERGY COMMENTS
REGARDING HEARING DATE**

On March 23, 2020 the Public Service Commission issued a notice requesting comments regarding a change to the first date of the hearing scheduled for Docket No. 17-035-61 due to a conflict with Yom Kippur, which falls on September 28, 2020. The Commission requested comments regarding a new start date for the hearing of Tuesday, September 29, 2020, continuing through the remaining dates indicated in the Scheduling Order. Utah Clean Energy does not object to moving the start date for the hearing to September 29 in order to avoid holding the hearing on a religious holiday.
